Local Church Values

The Annual Church Meeting last month was an opportunity to thank all who support St Mary Magdalene's in a variety of roles, to elect officers and hear reports. In my own report I reflected on the Easter faith and the need for doubt and questioning too.

There are timeless truths on the journey of faith to which I increasingly find myself reaching in times of challenge and change. There are three in particular that seem to me to be constantly present but which I'd like to see us reclaim, highlight and name specifically.

First, that faith is in its nature a journey, hence **Pilgrimage** is of the essence of our life, searching, looking, persevering. There is to be no Turtledove Pilgrimage this year but how can we build on the lessons that it has taught us over the last seven years? There is the environmental issue that has been highlighted literally on our doorstep with the possibility of losing the Glebe land to development. But that folk song of love and lament is not without hope.

Secondly is the ancient idea of **Sanctuary**. Security and safety are not new ideas although recent years have seen them rebranded, so to speak, under the heading of Safeguarding. There is a danger of seeing this in negative terms as covering ourselves against human failings and damaging intentions of suspicion. Each of us have our vulnerabilities. My vision is of a church where we need not be afraid of weakness and fragility but draw on the strength and support of others.

Finally, at the risk of stating the obvious is the timeless value of **Prayer**. Rusper's open house of prayer is a powerful symbol. The presence of the Easter Christ depicted in our window and proclaimed in the words of the Gospel is to be found though not exclusively among these hallowed stones or even in the beauty of the light through the window depicting the

wounded but risen Christ. This is the vision and impetus behind our North aisle project. Prayer is grounded in the practical. It finds physical expression in bodies and buildings. There are at least as many approaches to prayer as there are people, but our eucharistic tradition highlights that all prayer is grounded in joyful thanksgiving and I thank each and every one of you for what you bring to it and will bring in the coming twelve months.

Sanctuary, Prayer and Pilgrimage are not named in order of priority but as equal elements in a spiritual conversation in which I look forward to our deeper participation in the coming year.

RUSPER CHRONICLE

“From Rusper to Kenya -the adventures of a farm girl from Rusper” – part love story, part amazing account of human endeavour, and a remote farm in Kenya called Rusper Farm. The link between them was Myra Knight, born in 1876, the tenth child of twelve, and brought up at Baldhorns in Rusper. She loved tending the cattle and horses on Baldhorns Park Farm but she wanted to know more about agriculture so went off to Reading University and became the first woman to graduate in dairying and cheese making. Here love struck and she met her future husband, Joe Milton, who had bought a large farm on the edge of the Rift Valley in Kenya – and who also needed to learn more about farming. So, in 1914 Myra sailed to Mombasa, married Joe in Mombasa Cathedral and went off to the farm which they called Rusper Farm. Here followed many years of endeavour, experimenting with different crops and stock. Another farm was bought, Soltai Farm, run by Myra and where she opened a farm shop. This was passed on to an Indian

group which led to a multinational business, Soltai Holdings Limited. Myra had one daughter, Joan, who became Mrs Reeder and emigrated to Australia. Sadly, Rusper Farmhouse, built by Joe, is now derelict.

Ralph Kaufmann told us the story, only revealing at the end that he was the “boy next door” to Rusper Farm, riding over to visit on his motorbike – but now living in Newdigate. It was a fascinating evening thanks to Ralph’s research and storytelling.

We discovered Rusper has other Kenyan connections. Living at Pucks Croft in the early 1930s was Lady Coryndon, widow of Sir Robert Coryndon, Governor and Commander in Chief for Kenya and High Commissioner for Zanzibar till his death in 1922. She and her four children came to Rusper in the late 1920s and took an active part in village life before moving to Chowles Lodge, Lambs Green and finally to Worthing Road Horsham.

Also did you know that the first man to WALK the length of Africa, from the Cape to Cairo in 1900 lived at Venters in Rusper in the 1920s? This was Major Ewart Grogan, nicknamed The Leopard by the Kikuyu, a maverick character, who ended up owning half a million acres of land in Kenya.

In complete contrast, Catherine told us about witches marks, strange marks made on beams to deter witches from entering houses, some of which had been found at Averys and are probably to be found in other houses in the village. We’d like to know if you find any crosses, inverted Ws or any other unexplained marks scratched on beams, probably over doorways or fireplaces.

NEXT MEETING – Tuesday 14th MAY, 7 – 9 pm, Rusper Village Hall, when we hope to explore some of our Indian connections, including two recent Rectors of Rusper.

RUSPER VILLAGE STORES

We would like to welcome Sam as our newest member of the Rusper Village Stores Board of Directors. She would like to share the following with the community...

“Did You Know?”(because I didn’t until recently) how much our village store is a little gem in our community?

Our village shop opened its doors to provide for the Rusper community in late 1800. In 1998, like many shops of its kind, its future was looking bleak. However our community understood its importance and formed an Association to preserve the shop and the Post Office. Yes that’s right, our village shop was saved by our community. It is owned by, run by and run for the Rusper community.

For over 200 years, this little haven has been more than just a place to grab milk on the go. It represents the heart and spirit of our village, serving as a lifeline for the elderly, those without easy transport and, frankly, anyone craving a taste of true local flavour.

Local and Lush – From Our Fields to Your Fork

Ever wonder where your food and drink comes from? Our village shop takes “local” seriously. It’s not just about supporting our local farmers and artisans; it’s about bringing the freshest, most mouth-watering delights to your table. There are so many hidden gems to be found on the shelves of our little shop, from coffee, eggs, bread, meats, cheeses, even beverages, all produced by local people in our local counties of Sussex and Surrey.

For almost a quarter of a century, our shop has stood as a testament to what community can achieve. Many community owned shops of its kind have sadly closed their doors, however, Rusper Village Stores continues on in supporting our community. To celebrate its hidden qualities, keep a look out on Facebook, Instagram and in the shop for regular “Did You Know?” posts – here you’ll discover the stories behind our shop, its local products, the faces behind our trade, and the collective spirit that makes our village shine.

SAVE WEST OF IFIELD CAMPAIGN

Now that it's springtime – although as I write this we're in the middle of a hailstorm! – the Save West of Ifield campaign is unpacking the tables and bunting for May Fayres and other events. Please come and see us at the **Rusper Village Day** and the **Ifield May Fayre** – both on Monday 6th May. Perhaps you made it to the Rusper Annual Parish Meeting (25th April) where we explained the technical and planning arguments already submitted to the Planning Inspector, and what needs to be done if Homes England submit a planning application in 2024 ahead of the Inspection. If you missed the meeting and want more information, then do see our website and newsletters:

<https://www.savewestofifield.co.uk/newsletters>

In any case, do come and say hello on May Day and discuss any of the issues around the proposed 3,000 house development.

You may have seen that West Sussex County Council have launched their Local Nature Recovery Strategies (LNRS):

<https://www.sussexnaturerecovery.org.uk/about>. You may want to get involved, perhaps initially by completing the survey about your experience of the natural world in this area: <https://www.sussexnaturerecovery.org.uk/get-involved>.

I responded by explaining the richness of biodiversity and habitat in Rusper parish and the west of Ifield area, and why having grown up in Rusper and Ifield it's always been so important to me.

Dates for your diary

1st May – 8pm. **Quiz night** at The Plough, Rusper. Call 01293 871215 to book a table – and maybe dinner beforehand.

6th May – come and see us at both the **Rusper Village Day** and the **Ifield May Fayre**.

11th May – 11am. **Walk – The 3,000 house site end to end**. Walk from one end of the proposed 3,000 house site to the other, guided by Save West of Ifield, to get an understanding of what's proposed and where and what will be lost. Start and end at The Plough, Ifield.

As always, to keep up to date, please read our newsletters and website: <https://www.savewestofifield.co.uk/>

RUSPER LOSES A GOOD FRIEND

Valerie Bowles 15/02/33 – 06/02/24

I've only known Valerie for a couple of years even though we've both been in the village for a long time. She was easy to talk to and interesting to listen to. She was funny, stoic, loved her puzzles and was emphatic about looking her best. As time went by, her eyesight deteriorated but she still managed to keep up to date with current affairs and books with the help of her many technical aids.

She was born the middle of three children in Edgeware, sadly losing her mother when she was only 22 and became a mum to her youngest brother. She left school at 18 with 3 A levels and worked for Clerical Medical. Valerie and her husband, Ken, moved to Rusper in 1986 and immediately threw themselves into local activities - Ken as treasurer of the Village Hall and a founding member of the Horsham Probus Group; Valerie, as secretary of the local branch of Family Support Work and both were regular members of Rusper Church. They played short mat bowls, bridge and tennis and joined local rambling groups. Valerie volunteered at the League of Friends cafe in Horsham Hospital, was a member of the WI and Tuesday Matters, as well as Rusper Chat and the Parish Magazine committee. She delivered the Parish Magazines well into her eighties and did the banking for the Church as well as the Magazine.

She made a lot of friends in the village who were a great source of support to her when she was widowed in 2005 and later when her own health suffered.

She was so proud of her children and grandchildren; her granddaughter gaining an engineering degree, her two grandsons gaining skills in computer theatre and musical skills.

She never lost her mental capacity - still doing Wordle in hospital and keeping up with the news and sport through her digital Telegraph subscription. She even wanted to know what was going on in the Australian Open just a week before she died!

I will miss her and Rusper will too.
